2. **Students (and their welfare)**

*General characteristics*
Predominantly middle class area, with most families of Anglo-Saxon background, situated in the Holdfast Bay Council, mid-way between Brighton and Glenelg centres. Ten percent (10%) of students are School Card holders, five percent (5%) qualify for EALD support (English as an Additional Language or Dialect) and one percent (1%) identify as Aboriginal or Torres Strait Islanders. There is strong parental pride in the school and support of school activities.

*Student management*
The school has implemented Restorative Practices across the school as a part of its student management practices. Staff members have undertaken training in *Restorative Practices* and *‘Play is the Way’* and *anti bullying strategies* are implemented across the school including an annual Bully Audit. The school has a dress code policy which is strongly adhered to. The school sends a text message to the parent of any student absent without notification.

*Student Voice*
The school currently has a Student Voice Executive (SVE) composed of ten year six and seven students. These students work with class Student Action Team (SAT) representatives as well as taking on other leadership responsibilities. Classes are responsible for a variety of school-based, environmental and other ‘actions’.

*Special programmes*
Our specialist teaching programs are French, Music and PE.
Instrumental Music, Choir, Skipping Team, Running Club, ‘Paringa’s Got Talent’, Chess Club and a variety of SAPSASA sports teams are also available.
In 2012 we joined the International Student Program and begun hosting students from **Korea** as part of an *International Study Tour*.
We also host visiting **French teachers from Reunion Island** each year and will reciprocate with our French teacher visiting there in 2015 as part of a cultural exchange.

We have joined the ‘**Children’s University**’ program in conjunction with Adelaide University in 2015. Currently our Year 3 and 4 students get the opportunity to earn stamps in their Learning Passport by taking part in validated learning activities at school and throughout the city in break times, after school and on weekends. Once a year they take part in a ‘graduation ceremony’ at Adelaide University to celebrate their achievements.

We also joined the **MindLab** program in 2014 and are continuing in 2015. MindLab is a series of strategic board games in which students learn problem solving techniques and strategies they can transfer into other learning areas and social interactions. We are currently the only public school involved and hosted the Australian MindLab Olympics in 2015.

In conjunction with St Phillips Anglican Church, we have established a relationship with Sigatoka District School in Fiji for whom we provide and deliver ‘stationary packs’ and teaching resources.

**OSHC (Kids Care)** operates daily and Vacation Care during school holidays.
