Revision Record

Date	Version	Revision description

1. Title

Paringa Park Primary School Dress Code Policy and Procedures.

2. Purpose

To make explicit the expectations regarding the wearing of the school uniform by all children.

3. Scope

This policy identifies the rationale behind wearing the Paringa Park Primary School uniform and documents acceptable clothing, footwear and accessories.

4. Objectives

We believe that a school dress code provides a sense of community that engenders the feeling of belonging and safety in all individuals. Our aim is to have a learning environment that is supportive, positive, non-discriminating, equitable and safe. Our governing council has determined that the wearing of the school uniform and following the school's policy is important for all children. Our uniform offers affordable clothing for all children. It is flexible and based around the school's colours of navy blue, bottle green and yellow. Our school adheres to the SunSmart Guidelines as outlined by the Cancer Council of SA.

Children are required to wear uniform because it provides:

- identification with the school - the wearing of uniform clothing is an important factor in ensuring the children's safety. It is important that we can clearly recognise a child's association with Paringa Park Primary, both within and outside of the school yard
- security, as children are easily identified
- a sense of pride in belonging to this school
- children with clothing which allows for freedom of movement, safety, and comfort
- equity, since children do not need to dress competitively which avoids the issue of purchasing expensive clothing and can help minimise the opportunity for harassment
- the opportunity for children to feel respect for themselves and others because of their positive image
- a lower cost to families in the long term

5. Procedure detail

Children in all year levels are expected to follow the dress code at school and at official school events and excursions, unless otherwise instructed by staff. Children are expected to wear the uniform in the manner designed, and it is to be clean and in good repair. Items of clothing and hats should be clearly labelled with child's name. Parents are encouraged to purchase Ragtags to sew into garments which sends a SMS to parents when an item is returned to lost property in the front office.
